“ Lucy and I worked at Save mart for many years. We had a lot of fun times and good memories. She was kind to everyone and always had a smile on her face. Even after she retired, we occasionally would work at community events. She liked doing things for our community and she really cared about people. I will miss her beautiful smile. Love and prayers to her family.

“ Lucy has been a true caring friend and co worker for over thirty years ! She will be truly missed ! She was my husbands steve inspiration when he was diagnosed with cancer ! He told me Lucy has made it through I can too ! Over the years we have had a real bond of being able to share our stories of family life , work challenges and just being good friends to each other ! Martie and I will sure miss the three of us getting together for our lunches and Christmas lunch! We had a lot of years working together at save mart and when it closed it was life changing for us but we were still able to connect and have our little lunches to get caught up ! Lucy fought a long hard battle with cancer but I never seen her not have a smile on her face or give up ! I’m so sorry we cannot find a cure for this disease. So many have gone to soon and Lucy is one of them ! It will be six years since I lost my Steve but I know he will be up in heaven with open arms to welcome Lucy to the next life ! May strength be with the family in this time of grief but just remember Lucy loved you all and will only wish you all to move on and remember all the good times and precious moments you did have while she was here ! My prayers and love to you all julie camacho
