“ Ohhh man, Lucy❤️ Her and Frank were my 1st and best soccer coaches. Lucy would always drink her pepsi with peanuts and they would take us to practice in that white van (A good van 😊) they even took us to Livermore/Dublin in that van when had to stay with sponsored families. I was just asking a former teammate about Frank and Lucy, wishing I could have seen here. Vio con Dios, Lucy, you were a good lady, glad and blessed to have had you in my life. 🙏🏻

“ To the Arias’ I am so sorry for your loss, I mean it from the bottom of my heart. I know Lucy has been fighting for a while now and she’s finally at rest as she asked for. So many good memories with her! From the Van days picking us up from school and to/from soccer practices or games, yelling at Mary (us) bc we didn’t listen or sometimes just to yell at us. I guess we did kind of deserve it though 😭 she made it to every soccer game.. still yelling at us lol! Went from soccer days when she was working at Walmart to us getting older and then her and frank would run into my parents at the casino. They loved being there and every time they would run into eachother Mary and I both heard about it from our parents ☐ Lucy you will be missed! Sending my love, prayers, and condolences to the family. We’ll see you later Lucy! ☐ 🍷 🥰
