“ Luis, it was an honor knowing you. I worked as his medical assistant in dialysis and it was a pleasure. He always came in with a big smile and ready to crack a joke, ready to have a conversation and ready to give you advice if you needed it. You made work so fun for me I'd come in and always made sure to pass by your dialysis room to wave hello or stop and have a conversation it's definitely heartbreaking to see an empty chair now. I thank you so much for all the advice you gave me, all the guidance and lessons. Heaven is so lucky to have you my deepest condolences to the family. ❤️ You will be missed Luis ☐
