“ *Lupie will be greatly missed. She was so full of life and lived life to the fullest. Her personality was unique, she always made us laugh and believed in celebrating life! My life has been enriched by knowing her and sharing out lives. Rest my dear friend now with your beautiful parents and siblings. We will meet again so it's not goodbye but it's see you later! I'll treasure our memories of the time we spent together. From our youth to being married, raising children and reaching our Golden Years...💔*
