“ *Mom I will always remember the one on one time we spent together u always knew the right things to say to me when I was having a hard time dealing with things. You never wanted to be a burden on anyone so u made it a point to go to the store when I was off work. I'll miss smelling coffee brewing in the morning when I get up and u waiting up for me when I came home late from work. I love u mom and will miss u so much. Rest in paradise and will see each other again.*
