“ I’ve known my grandpa my whole 22 years of life, he was so friendly and very encouraging. My grandpa was a good man and a strong believer in god. He always had a smile on his face and would talk to anyone and created lifelong relationships with so many. Some of my favorite memories with my grandpa is we would always play baseball catch, I’ve always been passionate with baseball and everytime I would go over I would ask grandpa let’s play catch and we would. And going to the parks to go play basketball or even ride bikes, those are some memories I’ll always remember of my grandpa. One tattoo my grandpa which still makes me chuckle to this day is he has a tattoo of a dog standing up like a human and peeing on a fire hydrant , I remember I asked why did he get it , and he even didn’t know why he got it, both of us started laughing in tears. Rest in peace with the lord grandpa I’ll love you forever .

“ *I'll never forget the fun times we had growing with my dad camping, fishing, going for long walks and bike rides looking for cans and bottles to recycle lol 😂 yard selling, being a 49er fan because my dad was and loving oldies 🎵 because he introduced me to that kind of music as a kid. I will cherish those memories of my dad forever. I know dad that you're in a better place now with our father in heaven and with all of our loved ones that went before you. Reset in peace pops! I love you always! Love your son, Boy 🙏*

“ I had the opportunity to know Manuel for almost 24 years my entire adult life. I always felt genuine love and care from him. Manuel was a joker and that was just one of the characteristics that made it easy to connect and talk to him, and boy could he talk didn't matter if he knew you or not Manuel was a true social butterfly. Manuel could make a friend anywhere anytime. His wife Stella was his life and the love he had for his kids was like no other you could just see it in his eyes when he looked at them and the grandkids man ol man was he smitten with them they could do no wrong. Thank you for always being kind to me and understanding I truly appreciated it. I will always be blessed by you without you Manuel I wouldn't have my Manuel and without him I wouldn't have my babies You and Stella made it possible for me to have the life I do and I am forever grateful without you there is no Us, I will always remember that. I'll miss you Manuel!!
Rest Peacefully until we meet again...
