“ In the 11 years I had the privilege to know Manuel, I got to witness how important and special he was to many people. He was also special to me, he was the grandfather to my kids, my husbands father, my father in law, my family! He was someone who always knew how to make people laugh. I see the sadness in the eyes of the people who love him & wish I could bring him back! So even though we will always miss him, we know he's up in heaven dancing, happy, & in no more pain! So till we see you you again Manuel, we love you!!

Nino, as the days go by and everyone knows your not here anymore things dont feel the same. I know your soul and body are at rest now, but you are being missed. The memories we all have of you are great ones! There will only be one Manuel and that was you! Give Lisa and Grandma and Grandpa a hug for us. We love you tio!
