My only one

One Song can spark a moment,

one tree can start a forest, I am thinking of your fruit trees you planted,  
one bird can bring on spring. especially the blue jays that poke holes in your  
chicken eggs,

one smile begins a friendship,

this how we met.

One hand clasp lifts the soul. We always held hands,

One star can guide a ship at sea.

This is how your mother Laura and your father Tony came to America.

One word can complete a goal. You encouraged me to continue my  
education.

You never voted but encouraged me to.

If a sunbeam illuminated our bedroom you smiled,

one candle shuts out the darkness

I could use that candle now,

one loud roaring laugh always conquered my gloom.

I need to hear one more time you loud laugh to stop these tears.

One step began your journey to heaven

You will visit with your mom and dad, Carmen, Mike, Mary, Frances, Laura,  
Pete, and Rosie.

The one word in the Lord's prayer is guiding you soul,

One touch, smile, and a kiss showed me you cared,  
One word from you always brought understanding.  
Always my heart knew you was faithful for 58 years.  
You always spoke the truth.  
Your life in this world, a world of many challenges made a difference,  
So my dear Manuel, it is up to you watch and guide me from above.  
Do not fear my dream in the near future I will be with you.  
I will always love you and will never stop loving you.
