“ *Dear Cousin Tony*

You were called to heaven to be with God. While alive you played a very active role at your place of worship. You were a member of the choir singing hymns to praise the Lord. And always took pleasure in serving those in need. Best of all, you did it with your heart in the palms of your hands. For all of that in God's arms. AMEN.

Personally, the memory I mostly cherish is the one when you walked me down the aisle of my wedding day. And how can I forget when in 1993 you flew from California to Arizona to be the Godfather of my daughter Lauren. I remember so clearly the many Holidays, summer picnics, winter trips to Lake Tahoe to ski, and so much, much more. As first cousins, our homes were each others second home. There are so many indelible memories forever buried in my heart. I will always love you and miss you.

good bye my sweet cousin.

“ I am so sorry for Your loss Tony was a Beautiful Person a Truly Man of God.he was there for a lot of people. I remember when we use to go out to the lake and just talk and be by his side. I was always massaging his feet he would love that.the times I would go make his favorite dish was Chile Verde, Rice and Beans, then to top that off with his favorite Dessert Lemon Meringue Pie. We would always talk about how God takes care of his Children. I love you Tony I will always love you : revolving_hearts: you will always be in my Heart and in my Mind. I know one day We will see each other again up in Heaven 🌹💕he will always be missed by his Family and friends. “ *Even Superhero's must take a break every now and then! Papa Tony, you had a true servants heart and you definitely left a footprint on much more people's pathway in life than you probably even realized.*

Always humble and kind...

You knew that God is a way maker. He would always provide a way to get things done, fix something, shift it, turn it whichever way.

Even if everyone else could see no possible way! He would eventually make a way!

I pray whomever may be so compelled to enter to an agreement with God tonight. That you are going to serve Him, maintain faith in Him, and wait on Him!

(He has the blue print to our lives and we are the construction workers following the plans the best we can) For His Blessings are always worth the wait and are never late and are ALWAYS on time!

Fly high Tony! Fly high!!
