“ Mom, I already miss you so much. You were my best friend confidante and the best Mother anyone could ever have. I miss your physical presence but take comfort that you are home now. I look to the time I can meet you there. I take comfort in that. Love you always, Sandra

“ "I am sending a dove to heaven with a parcel on its wings, be careful when you open it, It's full of beautiful things...Inside are a million kisses wrapped up in a million hugs to say how much I miss you and to send you all my love. I hold you close within my heart and there you will remain...To walk with me throughout my life...Until we meet again..." I remember the last words we spoke to each other...that was you telling me "I love you" and me telling you "I love you too!" I will always remember those words till the day I die...I love you Nina...give my mom a hug for me...
