“ *Keeping all the family members in my thoughts and my prayers! I have so many awesome memories of Christine over the years and the various kinds of things we all had a part in. It was great when she and Bob got a chance to come up here to Oregon and visit me. So many years have now gone by and yet so many strong memories of all of us being together.. I know how much she loved her family and I know how much her family loved her and I think that included friends like me also. Much love to you all. So sorry I can't be there with you during this time but you are all in my heart.*
