“ Her name is one that I knew as a small child - Margaret Evangelho.
My aunt and uncle lived across the street from the Evangelho dairy
on California Avenue - their name was Arslanian. We would often
visit family and Margaret was close to my older sister's age. I loved
to go across the street to the dairy and both Margaret and her
mother Annie would come over to visit. Those days hold fond
childhood memories. So sorry for your lose and I can imagine your
memories will continue to be wonderful as time goes on. So much of
my family lived all along California Avenue - from almost downtown
to a little passed Cornelia Avenue. My Sympathy to your family -
