“ *Although she may be gone, just saying her name is enough to put a smile on your face. Remember her jolly spirit and infectious laughter and keep those happy memories close to your heart. The Pineda and Hernandez family send our deepest condolences to all her family members, friends and everyone that feels this loss. Please remember she is always there if you call her spirit. Just as she has been there, her spirit will continue to guide you through life and be there when you call her name. May the peace of the Lord be with everyone who knew her.*
