

## Margaret Stotts

April 7, 1936 - January 26, 2015

### Beloved Sister

Margaret Stotts went to heaven on Monday January 26, 2015. She will be missed, but our memories of her will last a lifetime. She loved RV gatherings, playing all kinds of card and board games, Andy her dog, pro tennis ( she knew all their names) ,going to meals with old school friends. She really enjoyed recording books for the blind.. Very rewarding and learned so much. Her husband, Chuck, of 56 years went to be with the Lord a year and a half ago.

She would appreciate donations be given to Fresno's SPCA or to the Scleroderma Foundation 300 Rosewood Drive suite 105, Danvers, MA 01923  
Thank you family and friends for enriching Margaret's 78 years as we know she did the same for you.

“ *It was a privilege to attend the memorial service for my Aunt Margaret yesterday. She was special lady who suffered through a number of challenges in her life. Her example of stoicism coupled with her love of family and the Lord was remarkable. I should do so well.*
