“ Marco & Bobby, my condolence to you and your families. Heartbroken when I heard the news. I remember growing up with Margaret and going to school together for many years and graduating from Tranquility High. Margaret was always smiling it was a pleasure knowing her and being a friend. A friend forever until we meet again. Concha Ramirez

“ In loving memory and with deepest sympathy I share my condolences to all family and friends of Margaret, a loveliest of hearts, who would see the beauty in everything and if it would be a miss would make it a point to add her personal touch to make it so. Someone so special can never be forgotten, may happy memories comfort all those touched by her loss.
