

## Maria De Garcia Hernandez

March 1, 1959 - August 28, 2019

Maria was born to Modesto Hernandez and Liduvina Garcia Hernandez in Guerero, Mitlancingo, Mexico on March 1, 1959 and passed away in Waterford, California on August 28, 2019.

Our mother was everything to us. Our mother was a father and mother and everything to her children. Our mother did the best she could to raise five boys and one girl. We did not grow up with a silver spoon but our mother always made sure we had a roof over our heads and a hot plate on the kitchen table. We didn't have the best clothes or fancy shoes but our mother always made sure that we were always clothed. We had a very humble upbringing and she taught us right from wrong as best she could. She raised us with the morals of always showing respect to your elders and treating people the way you would like to be treated. We never had much growing up but we cherished what we had because we knew our mother broke her back working long days to provide us with what we had. She instilled in us that hard work always pays off and that there's nothing you can't achieve if you set your mind to it. She specially made sure to show us that we were loved by her. Our mother always said that her kids were her fortune and she will always take her food from her mouth to make sure that we had eaten first. She was the kind of mother that never let anyone disrespect her children in front of her and will fight for us with teeth and claws to defend us and she always did to her last day on this earth. She always made sure to call us to let us know that she was thinking of us

and she loved us. Even after we got older, got married and started our own families she always found a way to let us know how much she loved us. On a regular basis she would call us, text us, or even send us a video to lift us up on our day. She always found a way to make us smile. We as her children could not have asked for a better mother than what we had. She was kind, loving, happy, beautiful, with a will like no other and a heart of gold. Even though she was a single mother she raised us to be good people in life. Maria Hernandez Garcia will forever be missed by us her children, her grandchildren, her family, friends and anyone that ever got the pleasure to meet her.

Maria is preceded in death by her mother Liduvina Hernandez, her son Edgar Farias and her sister Josefina.

She is survived by her dad Modesto Hernandez, her children Alvaro Cantoriano, Hugo Cantoriano, Tomas Farias and Maricela Amezcuca; her siblings Porfirio Hernandez, Benito Hernandez, Victoria Gonzales and Francisca Hernandez and three grandchildren as well as many loving nieces, nephews, cousins and extended family and friends.
