Mario Santino Lucero Ternora just celebrated his 43rd birthday. Born October 14, 1981 in Santa Rosa, California. Mario gained his wings on October 26, 2024 in Fresno, California.

“ So sorry for this loss. I only met him once during a video call but from all the stories I've heard over the years it felt like I knew him too. Grateful that Noel was able to reconnect with him and share love and laughs/memories before this tragedy occurred. Wishing for peace and healing. The Cedillo's from Michigan
