“ *My Brother was the one of a kind I have so many happy memories. I am just so happy that he and my husband Victor got along so well. He let us baptize his first born and that was an horror that he trusted me with his daughters life. We had our special songs we both loved to dance to. As soon as it started playing we were on the dance floor. I'm really gonna miss you my buddy! My BIG brother I love you externally!*
