“ Leaving a message on behalf of my dad

To the Love of My Life. I cherish all memories we shared together throughout the years. My life changed on February 1983 when walked into the Video Arcade, I saw you from a distance, it was Love at First Sight you where playing Pac Man, almost made a mistake by walking out, but I built up enough courage to go back in and get your name and number. From that day on that's when our adventure started together, lot of great memories that I will cherish in my heart forever thank you all you have done for me and our family I will always Love You. From Your Man For Life.
