“ *Noni, I will tremendously miss you. No more sadness for you. You are now with Nono Guido, Donald and Bob.*

You have taught me many things in life. You helped make me the person I am. I was always excited and proud to tell people that my grandma was "103 years old and almost 104". Even though you were this age, we are all in shock. You passed so peacefully in your sleep that morning. No warning to us. No hospital stay so we can visit you and prepare ourselves for our goodbyes. Just gone. I guess that was good for you but selfishly bad for me.

I thank you for being my grandma and being the person you were. You have had a lot of love in your life.

I will love you forever!
