MISS ME -- BUT LET ME GO

When I come to the end of the road
And the sun has set for me,
I want no rites in a gloom-filled room.
Why cry for a soul set free?
Miss me a little-but not for long
And not with your head bowed low.
Remember the love that we once shared.
Miss me--but let me go.
For this is a journey that we all must take,
And each must go along.
It's all part of the Master's plan,
A step on the road to home.
When you are lonely and sick of heart,
Go to the friends we know,
And bury your sorrows in doing good deeds.
Miss me--but let me go.

“ *Aunt Mary & Uncle Ken were my God Parents. one of my best memories of my Aunt Mary was when I was around 11 or 12 yrs old. We went to Fresno to visit family. Even though she had a husband and 5 children she still welcomed us for the summer. I remember her making Wendy - Lori - and me all matching 2 piece Swim Suits ,we each had a different color. Taking us to rides the rides at this Park. And Aunt Mary & Uncle Ken took us Camping at Yosemite National Park for a week. And she got me hooked on Tomato Sandwiches . She had a very big Heart by opening a different world to 2 kids from Detroit. She will be missed.*

“ *My Beautiful Aunt Mary and my Handsome Uncle Ken were my God Parents . I have a beautiful memory when I got to visit my family in Fresno when I was 11 or 12 .My Aunt Mary made Wendy -Lori - and myself all matching 2 piece Swimsuit's each had a different color. She was my Hero. She had a family with 5 children & my Uncle .Took me under her wing and still had time to do for everyone,and took us all to Yosemite National Park. As a child this was the best Summer I have ever had. Just being with my Aunt Mary ,Uncle Ken and my cousin's was one of the Best Memories I can share. Love you And Mary* ❤️🌹
