“ *There are so many great memories of Matt that I am not sure where to start! Overall and above anything else I want the family to feel all of the love from all of Matt's friends. We all adored him! May you all find peace and feel him with and near you in the wind, in the trees, on the sunlight as in dances on the water or in the sun as it rises and sets. He will never be forgotten! Sweet love to you all.*

Sincerely, Brenda
