“ *Rest in Paradise Tio Ang...From the day I can remember you've always been a kind hearted person...No matter what was going on with you, you found a way to still put a smile on your face. I remember you coming to see TomTom when he was in the hospital, we didn't know if he was going to live..you took one look at my baby and said "Mon, don't worry..he's gonna make it", he'll be alright"..I will always remember the Hope you gave me during those hard times...I will always talk to my boys/kids about what great person you were...we will keep your memory alive through the memories you've left us with...Until I see your smiling face again...Rest in Paradise. ..One Love!!! “ ILY Angelo I miss you so much I wish this was all just a dream but I know heaven gained a Angel and I know now you're at peace no more pain! looking down on us dancing to your reggae music , I just wish you didn't go so early!!

But one thing I am very blessed! Blessed that I got the chance to grow up with you as my step father. You were a good man I'd give anything to have you back. You raised me as one of your own you use to tell me and Adrian before school," dont take anything from no one aha" Nothing but good memories I had growing up you'll forever be missed !!!!!

Angelo was my cousin but I always told everyone that he was my uncle. He just always played that role in my life ever since my dad (Tony) passed away. He kept my dad's memory alive by telling me adventures they had. Even though my dad was gone angelo taught me how to sand blast a car, check oil and even painted a old skool with him. I'll never forget that! I'm going to miss him very much but I know in my heart he will always . I love you Angelo I know you'll be watching over us. Love always Lisa and family.
