Michael James Sherrill

February 20 1959~January 8 2020

~Michael James Sherrill was born on February 20th to Beverly and Jesse Sherrill in Fresno California.

Dedicated and determined to live life to the fullest.. Micheal gave 300% to everything he did..earning the respect and admiration of everyone he had the opportunity to engage with.

He loved helping others and was known for his generous contributions to multiple causes and organizations and his passion for “everything fast” was evident in his collection of customs and his trademark “punisher” symbol ever so subtle among all.. His attention to detail earned him countless trophies and awards.

Mikes passion for life was served best through his loyalty to memberships of various clubs and groups and the countless number of life long friendships he made along the way.

As the proud owner and operator of Golden West Termite & Pest Control, Michael worked hard and maintained a well respected work ethic while

building a successful business from the ground up.

Michael never hesitated to help someone in need. His selfless demeanour was seamlessly hidden beneath a often intimidating and tough exterior.. Michael was an exceptional human being.. with a million dollar smile that'd light up a room.

In November of 2019, after numerous trips to emergency and multiple stays in the hospital .. Michael was diagnosed with Stage IV Pancreatic cancer and after a brief but determined fight for his life.. ultimately suffered multiple complications resulting in the end of his life.

Michael passed peacefully while in my arms on the morning of January 8, 2020.

He is survived by his love, Shawna Dye.. Brother Chris Forston, and Father Jesse Sherrill. As well as many friends and acquaintances.

A memorial service will be held this Sunday, March 15 at 10:00am at Chapel of Light located at 1620 W. Belmont Ave. in Fresno. All are welcome to attend.
