“ My Aunt Nancy is home with God, my Grandpa, Grandma & her Sister my Mom Barbara. I've been so lucky and thankful to have her as my Aunt. Because of all of them I had so many awesome memories growing up those are my happy memories. Scott, Jerry, Pam and I were together all the time David & Eric weren't born yet, or they were just little guy's. Our Families lived so close so we were either at our Grandpa and Grandmas or at each other's house. We went to school together, camping and just hanging out. I remember my Aunt Nancy getting ready for work I would watch her thinking she was so pretty. Her and I in her lifetime spent so many nights staying up late and just talking for hours. She was there for me and my Children so many times and I was so thankful. I loved her so much. Good bye my dear Aunt Nancy you will always be with me.
