“ Been thinking of you tough lately bro, just got done telling a story about when Me, You, and Rashad were young back in the day, walking in the neighborhood by Ayensworth... I was probably 13 or 14... I ain't gonna tell the whole story on here but you know exactly what I'm talking about 🤔🤔🤔 ill never forget that day bro, everytime I think about it, I start crackin up to myself regardless if anybodys around or not... I miss you alot bro, things are alot harder now that your gone because you'd always help take the weight off my shoulders from just a simple conversation and it was always like that between me and you... it's 2:53 in the morning, I'm drinking a tall can of bud weiser chelada just reminissing of our childhood... I can't say I understand what was going on at the time because I don't, and nobody ever will, except for you and god... its not you that wasnt ready for the world, it was the world that wasn't ready for you!!! Never ever forget that bro, all the self-centered people in this world that you touched in your physical form won't never forget Nicholas Salvatore Trimmer and I garuntee it... I love you bro, I'll visit you soon and I got you on some Newport lol don't trip... I'll bring you a cold brew too lol love you bro
