“ I've known Nick since high-school or before that, some of my favorite memories of nick are his jokes and rather he knew it or not he could brighten up your day. I am glad I could call him a friend and anytime I went by the tire shop I made a point to bullshit with him rather to talk shit or to listen to a jokes even if I had heard it a dozen times

“ *My heart was broken the minute I found out Nicky was no longer here on earth. I have so many good memories when he worked at wally's. He always had that sweet smile an mischievous look in his eyes when he teased me. He called me Mom when ever I stopped in to see my son that worked with him. Nicky you will be so missed by everyone. Prayers to all the family to find comfort and healing during this time. Love you all. Paul and Carol Kalpakoff*
