

## Norma Jean Boik

March 31, 1941 - March 2, 2023

Norma Jean Boik, age 81 passed away March 2, 2023 in Sanger, CA. Norma was born to Madeline and Norman Boik of Michigan. Norma lived in the Fresno area most of her life. She leaves behind 2 sons, Brent and Christopher Miller, sister Carol Trepal husband Jim, and sister Linda Boik of Oregon. Preceding her in death, brother Norman Boik Junior.

Norma lived in the Fresno area most of her life. She was a hard worker and spent most of her working years as a dog groomer. She owned two shops, first on Blackstone Ave and then on Shaw and Academy. Norma had a passion for helping both people and animals. Norma loved children, horses, dogs, and cats. She rescued many dogs and cats over the years. She was very involved in riding, showing, and raising horses. She was a country girl through and through! She also had a love for and eye for antiques and Western art. Her shops were decorated with antiques and so inviting to enter!

Norma deeply loved this country and was always happy to share her thoughts on the latest political events! She enjoyed a good banter and could talk for hours about her views! She was not afraid to get involved either as she was an activist to stop the mining of Jesse Morrow Mountain and to promote the designation of the Scenic Highway 180 for preserving Native American Sites.

Norma loved God and her Catholic faith. Some of her fondest memories as a

child was going to prepare for her first communion. Her passion for life, her concern for the underserved and animals drove her to help who ever or whatever human or furry friend she could. Norma was loved by many and will be greatly missed.
