“ *Sometimes life goes by so fast and the hustle and bustle of daily life prohibits you from seeing your loved ones more than you could've.*

Tia, when we would see each other every so often, mostly at the casino, I would do the typical Michael stuff and rouse you up. I will miss your infectious smile and boisterous personality.

May you rest now from your labors and find peace in the arms of your parents.

*With Our Deepest Condolences,
Michael and Rudy Rabara and our son Stanton.*
