

Olga Foltz

July 24, 1960 - February 15, 2023

Maria “Olga” Foltz, 62, of Sanger, has returned home on February 15, 2023.

Olga was born on July 24, 1960, to Octavio and Loreto in Mexicali, Mexico.

In 1982, she met Gilbert Foltz, and they wed on January 9, 1983. Going on to have five children: Johnny, Michael, Scott, Kellie and Trevor.

Olga excelled at propping up her children and supporting them through the many passions and difficulties of their lives. Olga was a wonderful grandmother, in the same way she was a mother. She would always go to great lengths to never let anyone down in her life. Whether that was rushing home from one of her many vacations to be there for her grandchildren’s activities or simply always having the time if she was needed for anything. We will always love and admire our beautiful Mother and Grandmother forever.

Olga joined Annadale Baptist Church in 2002 where she cherished all of her church family and loved to volunteer her time for all the various events. Olga spent 25 years as a tax advisor and the last 13 years operating her own business, K & O Income Tax and Notary Public Services. Here is where she created thousands of relationships with her clients, she would refer to all of them as her friends and family.

Olga was predeceased by her parents Octavio and Loreto, husband Gil, son Johnny, stepdaughter Kristi, and siblings Maria, Catalina, Gerardo, and Gustavo.

She is survived by her children Michael Foltz, Scott Foltz, Kellie Foltz, Trevor Foltz, and 8 grandchildren.

Services will be held on March 1st, 2023. 11:00 am viewing, 12:00 pm service at the Annandale Baptist Church, 1511 14th street Sanger, California 93657. Olga will then be laid to rest between her beloved husband and son at the Sanger Cemetery. Following the services, please join us at the Annandale Baptist Church Social Hall for a memorial lunch.

The family requests that all flowers and notes be sent to 526 8th St Sanger, California 93657.

The lady sweetest most caring person that god gave me the pleasure being with for nearly ten years of our life's. I just know that my life will never be the same without you Olga. The hole in my heart could never be filled, just take care of yourself (until I see again).

“ Olga Foltz,

Olga, you will always be part of my life; I hope you know that losing you left my heart with a huge void that can not ever be filled again, not here on this lifetime. Olga maybe not physically or vocally which I will remember but spiritually. I will never stop loving you! I know that you realize that. Olga, your spirit will guide me for the rest of my days. The joy you brought me throughout our relationship could never be measured. Like all relationship's we had stormy times maybe more than we should of had, but we weathered through them. Both of us knew how we felt and knew we would be back in one another's arms. I will carry this inside me for the rest of life. I am so sad that we could not be together the day you left and this is another part of losing you that will weigh heavy in my heart. Olga I just would like you to know how much I will miss your existence. This world will never be the same now that you're gone. .Feb. 15, 2023 will be the darkest day of my life.
