“ *I miss you so much! Sometimes I forget you're not here physically, I go to dial your number and have to remember I can't talk to you on the phone. Thanks for all the memories and long talks we shared. Election years will always remind me of how crazy you'd get lol. One thing I'm happy about is you finally get to be with Anthony. Miss you so much keep watching out for us love you very much xoxo*

“ Olivia certainly was one of a kind. Because of an invitation she extended I was able to go to New York with her. Many times we went to the casino. Everyone who knew her knows she loved the casino. Olivia you will be missed I know you are with our lord. I'm sure your son whom you loved and missed so much was there to greet you, along with your mom, your brothers and friends who have gone before you. Though we didn't see each other very much lately I will miss you friend . Until we meet again. Love in friendship,
