“ *I met Orine, through my daughter Melissa. The moment I met her I knew I'd love her. Which is very unusual for me, since I've always struggled with meeting new people and forming friendships. Orine made me feel like I'd known her my whole life. She spoke with such joy and pride about her her family. I will truly miss her smile, love, and hearing about her dearly loved family. I'm sure Jesus met her at the gates of heaven with a shout "Welcone home, "Well done my good and faithful servant." Rest in Peace my dear friend. Frances Quintero*
