“ *I had the pleasure of working with Dr. Collado for several years at Madera Counseling Center. My office was right across the hall from his so I experienced the kindness he extended to everyone, clients and co-workers alike, every day. I loved hearing about his family and grandchildren and could tell you all were his greatest joy in life! He was such a kind, caring and beautiful person. I never heard him complain, and as others have mentioned, he always had a smile on his face. Thank you Dr. Collado for the memories and for the example of kindness that you modeled every day. You are one of a kind. I will never forget you!*

“ I will be eternally great full for the care I received from Dr. Collado. He was the only doctor who was able to communicate with me and help me with my treatment to live a functional life. Not only was he my doctor but I had the pleasure of working with him at BHS. He will be greatly missed and always remembered. His smile was precious. He could light up the room just by walking in.
