“ A yo Bumpy I will never forget the 1st time I rode in a car with you. You had me on the edge of my seat for real. But we got to where we were going safely & you took me back home driving even faster but I felt safe knowing no car I had ever seen you in was wrecked or damaged by you. So Bumpy rest in peace & harmony I will always bring you up so that your life will always be remembered. MikeD
