“ This is Linda A. Garcia (CHICA) I wasn't there for Tricia like I should of been. I felt sooo dam guilty cuz I was out here living life and between me & Tricia ,We all know She was the Best between the two of us. But i really didnt mind walking in her shadow cuz she taught me awhole lot. Especially about fairness & manners. Amongst other things.If there was a way I could switch places with her I MOST DEFINITELY WOULD. I TRULY MEAN THAT. She should have never been torn away from her family & close friends. And I didnt know how to handle that. I wasnt strong like i should have been for her.And I am sooo sorry for that. I have a 13 page letter front and back. I had been writting her. I had the envelope & the stamp but i never got the chance to mail it. Tricia never got the chance to read it I truly hope all you as a family. Tricia's Family will allow me to visit every now and again & again. Meaning I would be sooo greatful if I could be invited to some family functions. Especially to her grandbabies birthdays & so forth. I know I could never ever take Tricia's place as they're Nana .That is NOT what Im trying to do But I would love to be in they're lives so I can tell them what kind of Nana they had. As a Person and as a True Friend. From a True Friend perspective. My phone number is 559 - 943 - 0154 and 559-765-8928 Please believe when I say I have alway have had Love for Tricia family because through all the stories she would share with me just about every one of you & the genuine love you all bestowed on her I couldnt help but love you all for loving her so genuinely. I Love You All. Please help me to stay in touch with you all... SINCERELY, LINDA ANNE GARCIA (CHICA)

*Tia, you truly showed me what it was not to care what anyone thought of myself. You taught me how to love yourself for who I was. You are a rare one tia. I'm so proud to say I am your niece. I still remember all the good times we had. You'd take all of us to the store all the time. Take us on bike rides, on bus rides, swimming and free lunch at the parks. You taught us it was ok to be a little hood. Lol. I love you tia. Love your niece Michelle (Cecilia's daughter) we will all miss you so much. No lie Tia I'm a little jealous, you're there in paradise with my brother Jospheh. I hope you guys live it up as you guys did down here. Till I see you again Tia. I love you.*

*My beautiful Tia. Words can't express what I feel. You were such a huge part of my life. Every day I wake up wondering why God took you. Thank you for teaching me that you don't have to act tough to prove anything to anyone. And to be yourself no matter what. You always trusted God's plan for you and faced your fears. You are my hero. I love you Tia! ❤️*
