“ I knew Patsy from college where we had science classes together. We both moved to the Bay Area after college where I worked in a hospital lab and she worked at Breuner’s. We were both starting our young lives. After she moved back to Fresno, we lost touch, but I never forgot her friendship. It turns out that our families both lived on the West side of Fresno. We didn’t know each other then, as we met while in college. We continued our friendship while she was in the Bay Area, where I continue to reside. I was very sad to read that she had passed. Rest In Peace, Patsy. I send you my love. Nancy Quon

“ It is August, 2024, when I found out that Patty passed. I’m so sorry to hear this. I went to college with Patty and we were friends in the Bay Area in the 1970’s, before she returned to live in Fresno. I have such fond memories of our friendship and hanging out together. Rest In Peace, my friend. I’ll never forget you.
