“ I never got to meet you personally but I know so much about you and I have to thank you and appreciate you for blessing me with such an amazing soul sister! Maria is one of the best things that has happened in my life, in "The Golden girls lives". Thank you for raising such a wonderful human that is so humble and compassionate, so loving and self-less. I would be a lost soul if our hearts hadn't crossed. Thank you so much and I have so much love and respect for the greatness that you have instilled in my best friend, my soul-sister. May you rest in paradise and watch over all of us! Fly high queen.

“ *She is my mom. I love her and miss her so much. I wish I could've been there for her more. But I know she in a better place now. She's not in any more pain. She's up in heaven with her mother, brothers, and sister watching over me. I will forever miss her. Love you mom*
