“ My nick name from Tia was "Cinderella." The special day that started my name was when i got ready for Prom. Tia did my hair and help me get ready. When i was ready she said i looked like Cinderella. I lived in the country about 4 miles out of town and whenever i was planning on going out i would show up at Tia's tore up from the floor up and when i left she would laugh and say "there goes Cinderella!" I love and am going to miss my Fairy Godmother. ---RIP Tia --love you Toy -aka: Cinderella
