“ *The Hargrave Family,*

It has been my most sincere honor knowing your folks, working alongside your father Keith and receiving the countless baked goods he would bring to the funeral home made by your mother Phyliss. They were a dynamic couple!

May the memories you have of mom, comfort and console you during this time and always. May she be at peace knowing that she is reunited with her husband again.

*With my deepest condolences,
Michael J. Rabara, General Manager
