“ From the first time I met my future Mother in-law I knew we were going to get along. She had such a great sense of humor. She would try and tell a joke and she would get laughing before she tell the punchline. She wouldn't even be able to finish the joke she was laughing so hard. Thank you for your love and laughter.

“ We LOVE you Aunt Phyllis and will miss all of our goofy vacations together from you coming to AZ to us coming to Cali. Best memory was when you and your sisters were all together at my house on Easter thinking you were finding real Turquoise ricks, and to find out they were sprayed with insecticide!! Oh the laughs we had !!! ☐
