Raul was born in McAllen Texas April 11, 1936, he passed away at age 84 on April 14, 2020 in Fresno.

Our dad always had a positive attitude and taught us to count our blessings. He was a hardworking man who put his family first and we could depend on him no matter what. He always made sure we had everything we needed, sometimes at great sacrifice but he never complained. His passing has left us broken hearted, but his love and all the beautiful memories we have of him will see us through this painful time.

He was one in a million and we were blessed to have him as our father. We adore you dad, until we meet again, your love will forever live in our hearts.

“ So many memories to share but my favorite one will always be his smile. He always had a smile on his face and was so positive. He wanted the best for his family and loved us all. I know hes smiling right now saying "hey Im ok" and I know he is. Knowing I have a beautiful angel watching over me makes me smile too. Tata, I miss you soo much and will love you always.... “ I love you tata. You are the man we all looked up to for advice, laughs and love. You were always there for us and a part of all of our lives in the most important ways. You love every single one of us no matter what. Your love is real and healing. You loved my nana and your romance always gave me hope in love. I know you are with the Lord in your new glowy boots. You are my papa and tata. I love you. Until we meet again. Your mijas.

“ He was the most humble yet strongest man I have ever known. So proud to call him my dad. As a child I remember how fiercely he loved us and wanted to protect us at all times. I remember him teaching us the value and demonstrating hard work to us. But he also taught us how to have fun as a family especially when we travelled to Santa Cruz or other beaches in California. He loved Mom so much and was so devoted to her. I love you so much Dad ..my comfort is that we will see you again.
