“ *My cousin full of love  
Gave the best hugs  
I remember all the laughs  
Him always looking out for me growing up  
He was a giving person  
My heart is so broken  
I still can't believe he is gone too soon  
I learned tomorrow not promised  
I love you primo  
I will continue to pray the rosary for you*

“ *My primo Raul was always telling jokes and making me laugh. We would talk forever and he loved to dance. The last time I seen him he told me to quit drinking cuz it was bad for my health. I did quit primo and I will always remember you being there for me when I was going through something. I'm going to miss you so much. I love you primo. RIP RAUL TILL I SEE YOU AGAIN*

“ When my brother and I were little we would play Star Trek, with the couch cushions and this really cool keyboard he used to have. We would also spend countless hours playing 'hot lava' with the couch cushions. He would always put them closer together for me so I could reach each one as I jumped to the other couch. Sometimes we would walk to the store to buy candy and he would always put me on his shoulders. He was my big brother, always looking out for me, as we grew up. ❤️ I still can't believe he's gone. He gave the tightest hugs ... I love you brother... I'll see ya later💔
