“ *My father, was a loving dedicated family man who put his family first at all costs. He provided for us all during his whole life and still is. My father was one I could always count on. I love him and miss him so much. He was always there for me.*

“ *I remember him in my youth as a man with a good sense of humor and with a personality that was never dull.*

He love to sing and play the guitar, if I can recall he loved Country and Western music.

We lost track of each other as time went on, but I recall the times we we're together as a family on Tielman Circle in West Fresno, Ca.

Time seemed so much simpler then, and family unity was so much stronger!,,,

Rest In Peace Ray.
