“ *Miss Geni was a beautiful strong and amazing woman. I am thankful to have had her in my life growing up. She always had my favorite strawberry candies when we go to their house. And she would bring me some when they would come to our house. She was always so nice. The most loving person ever. Her family meant everything to her. She loved her husband very much. I have a lot of great memories of her and Danny growing up. I wish I could have more. I will miss you. Love Jayjay💕💕*
