“ *I just was given the heartbreaking news that my friend of 30 years has died. Rene was by my side through not just years of friendship but during the hardest time of my life. My mom was murdered June 10,89 & Rene never faltered. I have so many really funny memories with Rene. I just listed to that song he had on his voice mail for the longest time “peaches gonna shake your tree song” Rene was always funny, loyal & different than anyone else. He had a fantastic smile and has always been one of the very few people I consider someone that truly knew me because you could be a friend to him cuz he was a friend back. I love you Rene! My heart bleeds for your family. See you on the other side my brother. My friend!*

“ *To Rene's family...I send my deepest heartfelt condolences to you all during this difficult time. Rene was such a treasure to our Lennar family! I can't tell you how many times Rene went above and beyond to make sure our Welcome Home Centers were up and running in time for our Grand Openings! We honestly could not have done it without him! He will be deeply missed, not only for his technical skills, but for his kind, generous heart! I pray that God will wrap His arms of comfort around you during this difficult time. May your memories of Rene always warm your hearts. Sending prayers, love and hugs...Shelly Slaven, Lennar Associate, Central Valley Division.*
