Dear Reina,

It is with a great sadness and true emotion that we have learned that your father has passed away. In this intense moment were you feel pain for the loss of a loved one and grief knocks at your door, I would like in the name of my wife and myself and in the name of all our family to express our deep affection, our sincere emotion and our vivid compassion. Losing a loved one is always losing a part of yourself. We can only imagine how heavy his absent will be felt and how long is the path especially for you. Thats how this life is one day it is bound to stop for each one of us.

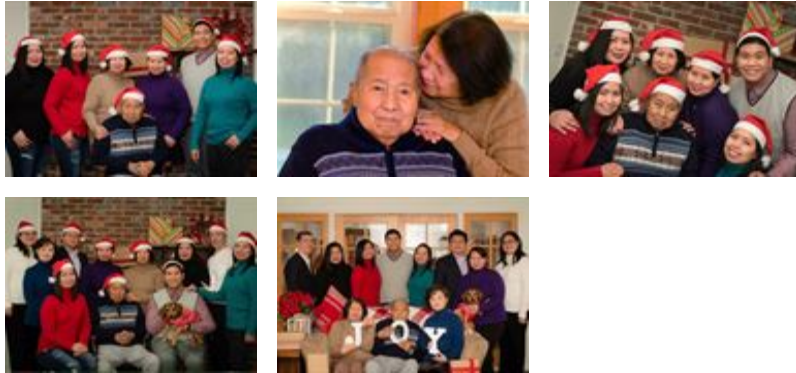

Your father has lived his sickness with an admirable courage and there is no need for us to say how precious the presence of his loved ones by his side was. It will not be possible to fill up the void that he left behind him to those who knew him and loved him nor to ease their suffering. We may just join our prayers to yours in order to ask God to accompany your deceased father to paradise where he will meet all those he loved during his existence and who are not amongst us. Lets pray for him to rest in peace. We would like to express from Algiers to you dear reina and to your family all our love and affection during this difficult moment. May time do its work for you to learn to live with it. Please excuse our absence for the burial. Our thoughts are there with you during these painful days. May your heart find peace and serenity through these few words. Our most sincere condolences.

*With love,
Mr. & Mrs. Oussedik*

“ *Tiyo Rey, thank you for always showing kindness and being approachable. When I was still really young, I always remember how friendly you are and always have a great smile. Your optimism and bright outlook in life will always remind me of you and through this it shines to everyone. Everyone will always remember your kind words and these words radiate positivity to all the people, family, friends and strangers that you have touched with your presence. May your soul rest eternally Tiyo Rey. (Marieth).*
