“ *Ricardo , I'm heartbroken that you left us to soon, I'm really sad and don't know how to make this pain go away. I always loved you and always will. All I can do is hold onto the memories that we created and hope that they never fade away. I just pray that you're at peace now. I know that you will be watching over us from heaven. I'm going to forever keep you in my heart. I wonder what you're doing at this very second. We are on borrowed time and I know we will see each other soon. You are beautiful sorry handsome. M.R.I.N.S.D Love always the one and only Mari.*

“ I was ecstatic with the arrival of your birth.
Now I will miss you here on Earth.
Brother I never got to say goodbye.
I think of you and can only cry.
Your chains are broken you are set free.
I imagine you smiling and happy as can be.
I long for the day when I can see you again.
Please tell Papa that my hugs and love I send.
Forever in my heart you will always be. 💔
Love your eldest sister,
Emma Medina
