Dearest Aunt Rosie, thank you so much for your kind words and the beautiful plant you sent. I'm sorry I didn't tell you earlier, but somehow the card fell off of the plant and I did not know who sent it until I found it here so the mystery is solved.

*Sincerely,
The Araujo Family*

What an amazing day of sharing stories, family including the cousins, and an abundance of love filling our hearts. My brother would have been happy he brought all of us together again in an incredible celebration of his life and what he meant to all of us💕💕
