“ My Mijo, I remember when you were a baby holding onto the couch feeling fearless and then suddenly leaping into my arms when I was at the other end, knowing I'd have to literally leap to catch you. lol And after just laughing with each other with you in my arms. I still can't believe I caught you. lol

That was my mijo Richard, full of heart and trusting in the love around him.

My mijo loved his kids more than anything and being their dad was his greatest joy. He loved his family, loved to make us laugh and loved simply being with us. His happiest moments were spent surrounded by the people he cared about most.

Mijo you will always be remembered for the love you gave us and the way you made us laugh and how much you cherished your family.

We'll miss you forever, Mijo.

Love you!
