I miss my husband so much and this was just a small part of his life. He was such a wonderful man who loved everyone around him. I know he is in a better place but I still wish he was here with his family.

“ Cousin Richard was an amazing man. He was my coach for the one year that I played little league. I didn't want to play but he encouraged me and even though I wasn't the best player he put me in the game anyways. Actually I caught a ball , that was a special memory. Thanks for making that memory happen!
